Here's your next boat. It's the 20' Predator Sportjet by SeaArk. The Predator has an extra wide 72" bottom for excellent payload, and minimum draft. It's powered by a 175hp V6 Mercury Sportjet power package, and includes an "Alaskan River" tough stainless steel impeller. The Predator is just what the name implies, whether you're hunting or fishing. Plenty of storage, wicked performance, superb handling and lots of great options make the Predator the perfect boat for Alaska. (Freezer not included !)
